Fully Automatic Espresso Machine

Series 6 VeroCafe, External Milk Hose, Stainless Steel – TPU51703

TPU51703
Stainless Steel

The right brew for every moment – from a quick morning espresso to start your day or an XL latte for the commute to two creamy afternoon cappuccinos to share with a friend.

Features & Benefits

- A brew for every moment: enjoy 25 drinks on the appliance and up to 41 via the app, from rich espresso and creamy milk drinks to Cold Brew, all with one touch.
- Share or take coffee to go: Brew two cups at once, even milk-based drinks, or brew XL drinks up to 16.2 oz. into your favorite travel mug. Adjustable drip tray fits travel mugs up to 6.5".
- For mornings that can't wait: eliminate delays by activating Quick Cup – simply hold your select drink option to skip pre-rinse and start brewing in just seconds.
- Easy-to-use 3.7" touchscreen: easily prep and adjust strength, aroma, cup size, and milk ratio to make every brew just the way you like it. Plus, save up to 10 favorites.
