Technical Information	• Total net capacity: 511L • Net fridge capacity: 379L • Net freezer capacity: 132L • Noise level: 42dB	• Annual energy consumption: 340kWh • Freezing capacity (24hrs): 16kg • Storage time in power failure: 17hrs • Total connected load: 0.3kW (10A)
Supplied Accessory	Water connection hose (3m)	
Optional Accessories	• CI10Z491 Stainless steel door handle set (3pcs) • CI36Z490 Stainless steel door panels (3 pcs) • CI36Z411 Stainless steel ventilation kit • CI60Z200 Heating side kit • 11032518 Ultra Clarity Pro water filter	
Appliance Dimensions (H x W x D)	2,125 x 908 x 608mm	
Built-in Dimensions (H x W x D)	2,134 x 914 x 610mm	
Country of Origin	Turkey	
Expert Services	• Product consultation with unlimited product hotline inquiry • Kitchen planning consultation with pre-installation site measurement • Professional installation	
Recommended Retail Price	HK\$98,800	

* Indent Order

* Thickness dependent on the kitchen unit door used. 19 corresponds to stainless steel door (special accessory).
** Base adjustment

*** Wooden panel required for installation: (H x W x D) 15 x 914 x min. 102 mm
*** Socket on the side

Note 1: With all appliance combinations, the additional heating kit CI60Z200 is required to be installed between the appliances to avoid condensation when relative humidity is over 65%.
This additional heating kit is not necessary if the distance between the appliances is greater than 160mm. The heating kit does not take up additional space.
Note 2: On site pre-inspection is required for the delivery and installation of coolModul appliances.

Measurements in mm
