## The virtualBrochure.

You can now experience the studioLine range without leaving your house. We have developed an innovative virtualBrochure app which brings the studioLine product range to life, giving you full control of the products, where you can rotate, zoom and interact with every element.

There is also an Augmented Reality feature within the app, that allows you to visualise the range in your own home. Perfect for planning your dream kitchen.

You can download the app from both the Apple Store and Google Play Store.
