

**General Terms and Conditions for Services and Works
of BSH Bosch und Siemens Hausgeräte GmbH, Neff GmbH, BSH Hausgerätewerk Nauen GmbH
and BSH Hausgeräte Service Nauen GmbH
(hereinafter referred to in each case as "Ordering Party")**

1. General/Form of legally binding declarations

- 1.1** These General Terms and Conditions ("GTCs") shall apply exclusively to companies within the meaning of Section 14 BGB [German Civil Code] i.e. natural persons or legal entities that provide the service in the course of pursuing their commercial or independent professional activities.
- 1.2** Different terms and conditions of the Supplier shall only apply if and to the extent expressly acknowledged by the Ordering Party in writing. The Ordering Party's silence regarding such different terms and conditions shall not be deemed in particular to be acknowledgement or consent, and this shall also apply to future contracts.
- 1.3** These GTCs shall apply in place of any terms and conditions, especially general terms and conditions of the Supplier, also where such terms and conditions stipulate that a purchase order or call-up is deemed to be the unconditional recognition of the general terms and conditions, or the Ordering Party orders/calls up, after the Supplier has referred to the validity of its general terms and conditions, unless the Ordering Party has expressly waived the validity of these GTCs. By accepting the order confirmation, the Supplier expressly acknowledges that it waives its legal objection derived from its general terms and conditions or other conditions of the Supplier. Legally binding declarations by the Ordering Party within the scope of the contractual relationship shall only be valid when given in writing unless text form is sufficient according to these GTCs. This shall not affect the precedence of an individual agreement (Section 305 b BGB) in any form.

2. Purchase orders

- 2.1** Purchase orders and their amendments/modifications shall only be valid when given in writing. The conveyance of purchase orders and call-ups via remote data transmission and EDP printouts, especially from the Ordering Party's order centres, shall be valid without signature.
- 2.2** If the Supplier fails to accept the purchase order within 14 calendar days of receipt, the Ordering Party can revoke it. Purchase orders shall be deemed accepted if the Supplier does not contradict them in writing or text form within 5 calendar days, if the Ordering Party has expressly indicated this legal consequence in the purchase order/call-up.

3. Implementation of contractual relationship

- 3.1** The Supplier shall provide its services in its own name and for its own account as independent entrepreneur. The Supplier shall not be authorised to represent the Ordering Party in legal transactions. The Supplier is not a representative of the Ordering Party.
- 3.2** In performing its activities, the Supplier shall not be subject to the instructions of the Ordering Party and its employees. An employment relationship between the parties shall not be created.
- 3.3** The Supplier itself shall freely determine the days, time management on these days and the place of providing its service. This shall not affect the Supplier's obligation to fulfil the agreed services according to the contract.
- 3.4** The Supplier can commission third parties to provide the service unless the Supplier's personal provision of the service was agreed. This shall not apply if there is good cause to exclude a third party commissioned. Such good cause shall exist in particular if the third parties commissioned by the Supplier lack the required qualifications and professional

experience necessary to fulfil the tasks according to the contract or the requirements for the commissioning of third parties under data protection law do not exist.

- 3.5** If the Supplier provides services relevant for safety, the Supplier shall undertake a corresponding risk assessment. Work equipment used or facilities requiring special supervision must be subjected to the required examinations. If hazardous substances are handled, the corresponding safety data sheets must be taken along while the service is being provided.
- 3.6** If documents for the use of the service covered by the contract are required, the Supplier shall deliver them to the Ordering Party, even if this is not expressly agreed.

4. Change request / Additional expenses

- 4.1** The Ordering Party shall have the right, also after conclusion of the contract, to request changes to the delivery item and/or object of the service according to the regulations set forth below if the deviations, when considered objectively, taking into account the Supplier's business and its know-how and order book, can be reasonably expected of the Supplier technically and logistically. The Supplier shall review the Ordering Party's change request without delay and notify the Ordering Party immediately in writing of its effect on the contract framework. This notification duty shall include a declaration as to whether the desired changes are at all feasible technically and/or logistically and expedient and a declaration concerning the effects of the change requests on the contract framework agreed up to that time such as the concept, periods, deadlines, acceptance modalities and remuneration in the form of a quotation. The Ordering Party shall then give the Supplier a decision immediately on the implementation of the changes.
- 4.2** In the case of a positive decision and agreement on the changes to the contract terms and conditions, the change to the purchase order shall become an integral part of the contract.
- 4.3** Where change requests by the Ordering Party in terms of the object of the order or the implementation of the order are technically and economically insignificant for the Supplier, the Supplier cannot request a change to the contract terms and conditions.
- 4.4** Additional expenses shall only be reimbursed and additional remuneration only paid if the payment was expressly agreed. This shall not affect the precedence of an individual agreement (§ 305 b BGB) in any form.

5. Acceptance of works

- 5.1** The Supplier shall deliver the works on the agreed date of delivery according to the agreed requirements. If a delivery date is not agreed, the works shall be accepted after their completion.
- 5.2** Once provided by the Supplier, the works shall be subjected to an acceptance test. After completion of the acceptance test, the Ordering Party shall declare acceptance of the work performance is free of defects.
- 5.3** Fictitious acceptance is expressly excluded. Acceptance must be given in writing, by email or fax except in the event that the Ordering Party uses the works delivered for the intended purpose outside the agreed test processes and/or test procedures for longer than 14 calendar days.

6. Remuneration

- 6.1 As remuneration for its services and for the rights granted and/or assigned to the Ordering Party according to section 10 below, the Ordering Party shall pay the Supplier the agreed amount after the services have been provided correctly and within the prescribed time.
- 6.2 The agreed remuneration shall cover all the services to be provided by the Supplier and other expenses connected therewith unless otherwise agreed.
- 6.3 Travel expenses shall only be reimbursed if otherwise agreed in writing. They shall only be reimbursed when duly invoiced and copies of supporting documents are submitted. Exceptions to this shall require the prior written consent of the Ordering Party.

7. Invoices and payments

- 7.1 Payments shall be made, unless otherwise agreed, after 30 days net without deduction of cash discount. The term of payment shall begin as soon as the delivery or service is provided in full (and, in the case of works, was accepted by the Ordering Party) and the duly issued invoice has been received by the Ordering Party.
- 7.2 An invoice shall only be deemed duly issued if it states the Ordering Party's purchase order number.
- 7.3 Payments shall not constitute any acknowledgement by the Ordering Party that the services comply with the contract.
- 7.4 The Supplier shall be responsible itself for the correct payment of taxes on all payments made by the Ordering Party. The remuneration shall be paid together with turnover tax added at the legally valid rate if and in so far as the Supplier's services are subject to turnover tax and if the Supplier issues a correct invoice according to the provisions of the UStG [German Turnover Tax Law]. If it is established that the Supplier's services are not subject to turnover tax, the Supplier shall reimburse the incorrectly shown turnover tax immediately to the Ordering Party, waiving the defence of disenrichment (Section 818 III BGB).

8. Default

- 8.1 The timeliness of the service shall depend on the agreed date of the service. If services are subject to acceptance, therefore the works capable of acceptance being offered to the Ordering Party for the purpose of carrying out acceptance is decisive.
- 8.2 Where a delay in the services or parts thereof resp. supplementary performance is evident, the Ordering Party must be notified immediately in writing or text form and any remedial measures by the Supplier must be described in detail.

9. Non-performance or defective performance/defects/limitation period

- 9.1 In the event of non-performance or defective performance and/or a defective service ("**defect**"), the Supplier shall, at the Ordering Party's option, at its own expense within a reasonable period either remedy the defect or provide its services again free of defects. If the Supplier fails to remedy the defect within a reasonable additional period or fails to provide the services again free of defects, the Ordering Party can rescind the contract or reduce the remuneration appropriately or remedy the defect or have it remedied at the Supplier's expense and request damages instead of performance.
- 9.2 The Ordering Party reserves the right to assert other statutory warranty claims and other damage claims.
- 9.3 In the case of works claims against the Supplier based on defects shall become statute-barred 36 months as of acceptance.
- 9.4 Warranty claims and other damage claims by the Operating Party shall in addition be determined by statutory provisions.

10. Work results, inventions, property rights and copyrights

- 10.1 The Supplier warrants that the services provided under the contract are free of third-party rights. The Supplier shall indemnify the Ordering Party in particular against third-party claims for infringement of rights.
- 10.2 The Supplier shall deliver all work results to be provided according to the order to the Ordering Party.
- 10.3 "**Work results**" are all results and findings including protectable results which are realised when the Supplier and/or a third party commissioned by the Supplier provides the ordered services, in particular the works, intermediate and/or by-product results, objects, concepts, graphics, sketches, reports, documents, software and their source code to be created.
- 10.4 The Supplier undertakes to give notification of these work results in the form requested by the Ordering Party in writing or text form immediately after their creation. The work results shall become the property of the Ordering Party, if possible, upon their creation and in their respective processing condition. The Supplier shall hold the work results in safe custody on behalf of the Ordering Party until their delivery.
- 10.5 The Ordering Party shall also be entitled to the irrevocable, exclusive right, which can be transferred and sub-licensed, without restriction in time, space and content, to use the work results itself or have them used in any way by third parties, to reproduce, modify and also to publish or exploit them in a form processed by it. If it is impossible by law to grant title to them, the Supplier shall ensure that the Ordering Party is granted a right of use in writing to the extent prescribed.
- 10.6 All rights to the work results granted and assigned by the Supplier to the Ordering Party within the scope of this contract and rights resulting therefrom, including property rights which may be based on these rights, shall be covered by the remuneration due under the contract. The Supplier shall ensure, unless otherwise agreed in an individual case, that the author waives its right to be named within the scope of the work results realised.
- 10.7 The Supplier shall not assert any rights arising from the Urhebergesetz [German Copyright Act] against the Ordering Party. The Supplier shall also ensure this with respect to its employees and third parties commissioned by it.

11. Open Source Software

- 11.1 The Supplier undertakes that its service includes only Free and Open Source Software, the use thereof having been previously released in writing by the Ordering Party.
- 11.2 "Free and Open Source Software" ("**FOSS**") is software provided by the right holder to any users royalty-free with the right to process and/or disseminate on the basis of a licence or other contractual arrangement.
- 11.3 If the Supplier uses released FOSS, the Supplier shall be obliged, irrespective of its obligation to comply with the terms of the licence, to provide the Ordering Party with a list of all FOSS components used, indicating the licence respectively to be used, a copy of the full licence text and the existing copyright information and copyright notices, and to make available the corresponding source code of the FOSS components.

12. Business liability insurance

The Supplier undertakes for the duration of the contractual relationship to conclude an appropriate business liability insurance and to maintain this for at least 5 years after the contract ends.

13. Documents, provision of objects, material

- 13.1 Documents and/or objects provided shall remain the property of the Ordering Party and shall be stored separately free of charge, must be marked and managed as the Ordering Party's property. The supply or provision of information shall not constitute any transfer of intellectual

property. Its use shall only be admissible for orders of the Ordering Party. In the event of a negligent reduction in value or loss, the Supplier shall provide compensation.

13.2 If the Ordering Party supplies the Supplier with material or parts free of charge or subject to a charge, the Ordering Party shall retain title to them (goods subject to retention of title). Processing or conversion shall be performed by the Supplier on behalf of the Ordering Party. If goods subject to retention of title are processed with other goods that do not belong to the Ordering Party, the Ordering Party shall acquire co-ownership in the new article in the ratio of the gross value of its supplied article (purchase price plus VAT) to the other processed objects at the time of processing. Section 13.1 shall apply accordingly.

14. Nondisclosure, return of documents

14.1 The Supplier shall treat the conclusion and results of the contract, business transactions and the know-how and experience in providing the services acquired from and about the Ordering Party or other information (“**Information**”) obtained within the scope of the business relationship as secret with respect to unauthorised third parties as long as and if this has not lawfully entered the public domain unless a legal or official obligation to disclose exists or the Ordering Party has consented in writing to Information being passed on in an individual case.
