## 專為亞洲家庭而設的洗碗碟機

The dishwasher designed for the modern Asian family

### 鍋具清洗程序70°C

亞洲美食總離不開油份及香濃的肉汁。西門子家電特別針對亞洲人的烹調方式，如煎、炒、煮、炸，而設計了鍋具清洗程序。當啟動此程序時，**噴射臂會調高水溫至70°C，並增加水壓，強力噴洗洗滌籃的鍋具**，更有效清洗油膩的污垢。

### Wok programme 70°C

Delicious Asian food is packed with grease, oil and gravy. That's why Siemens Home Appliances designed the wok programme especially catered for Asian cooking. This wok programme effectively cleans heavily soiled woks and pots by providing **increased spray pressure and higher cleaning temperatures to 70°C**.

### 免費安裝諮詢服務

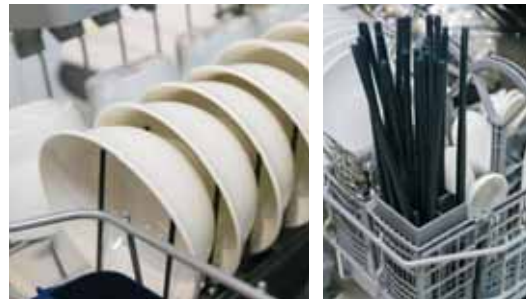

為配合各式家居設計，西門子家電提供免費上門量度尺寸及安裝諮詢服務，為您將要安裝的洗碗碟機作完美準備。詳情可致電西門子家電產品專線查詢或瀏覽西門子家電網頁。

### Free on-site installation consultation

Catering to different home designs, Siemens Home Appliances provides you with free on-site inspection and consultation service for a successful and smooth installation process. For more information, please call Siemens Home Appliances Product Hotline or visit Siemens Home Appliances website.

### 專為亞洲餐具而設的洗滌籃及筷子插座

此洗滌籃設計專為方便擺放中式碗等較高身的餐具，善用洗滌籃的每吋空間。筷子插座可放置在下層洗滌籃裡，方便用家把所有筷子、中式湯匙及其他餐具擺放整齊，更省時間。

### Basket fits for Asian tableware and chopstick holder

Basket is designed for Chinese bowls that are relatively taller to make good use of the space in the basket. The chopstick holder placed in the lower basket keeps chopsticks or cutlery organized in one place, saving time and allowing better storage management.

### 高溫倍護功能

此功能於沖水階段，額外用約70°C高溫持續沖洗，足以殺滅多種細菌及病菌。

### hygienePlus function

During the rinse cycle, a high temperature of approximately 70°C is maintained for additional period for killing many of the bacteria and germs.

### 10年內桶防鏽穿保用

西門子家電的其一特點就是持久耐用。西門子洗碗碟機內桶選用優質不鏽鋼，加上創新科技，加倍護理內桶表面。

### 10-year warranty against rusting-through of the inner tub

There is one thing you can find in Siemens Home Appliances: long-lasting quality. The inner tubs of all dishwashers from Siemens Home Appliances combine high quality stainless steel sheets, innovative technologies, and special surface treatment.
