BSH Home Appliances Corporation Certified as a Great Place to Work

- BSH Home Appliances Corporation certified as a great workplace by independent analysts at Great Place to Work®
- BSH earned this credential based on extensive rankings provided by its employees in anonymous surveys
- According to the study conducted by Great Place to Work®, 77 percent of BSH employees say it is a great workplace

Irvine, Calif. – November 2, 2018 – BSH Home Appliances Corporation has been certified as a great workplace by the independent analysts at Great Place to Work®. BSH earned this credential based on extensive ratings provided by its employees in anonymous surveys. A summary of these ratings can be found online at <http://reviews.greatplacetowork.com/bsh-home-appliances-corporation-bsh-home-appliances-corporation>.

“We are thrilled that our employee feedback to anonymous surveys resulted in BSH Home Appliances Corporation’s certification as a Great Place to Work,” said Marlies van der Horst, Head of Human Resources, BSH Home Appliances Corporation, Region North America.

“Fostering a positive, welcoming workplace culture along with providing opportunities for our employees to continually be challenged, grow and feel valued is of the utmost importance to BSH. Our success as a company is in no small part because of our talented team members, and we look forward to continuing to be a great workplace.”

Great Place to Work identifies the nation’s best places to work for organizations that are interested in building an incredible workplace culture. Two-thirds of Great Place to Work’s assessment of a company’s workplace is based upon the confidential and anonymous feedback of employees that they receive through a rigorous employee survey.

“According to our study, 77 percent of BSH Home Appliances Corporation employees say it is a great workplace,” says Sarah Lewis-Kulin, Vice President of Great Place to Work Certification & List Production.

BSH Home Appliances Corporation employees completed 689 surveys, resulting in a 90 percent confidence level and a margin of error of ± 2.55 .

About BSH Home Appliances Corporation
