

Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 65/2014"

Trade mark: Neff

Model Identifier: C24FT53G0B

Energy efficiency index: 81.3

Energy Efficiency class: A+

Energy consumption per cycle in conventional mode: 0.73 kWh/cycle

Energy consumption per cycle in fan-forced convection mode: 0.61 kWh/cycle

Number of cavities: #

Heat source: Electricity

Volume: 47 I
