

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 65/2014"

|                                                                                                              |
|--------------------------------------------------------------------------------------------------------------|
| Trade mark: Siemens                                                                                          |
| Model Identifier: LC97FVW60B                                                                                 |
| Annual Energy Consumption: 40 kWh/annum                                                                      |
| Energy Efficiency class: B                                                                                   |
| Fluid Dynamic Efficiency: 27.2                                                                               |
| Fluid Dynamic Efficiency class: B                                                                            |
| Lighting Efficiency: 76.5 lux/Watt                                                                           |
| Lighting Efficiency class: A                                                                                 |
| Grease Filtering Efficiency: 86.1 %                                                                          |
| Grease Filtering Efficiency class: B                                                                         |
| Air flow at minimum / maximum speed in normal use: 227.4 m³/h / 394.0 m³/h                                   |
| Air flow at intensive or boost setting: 717.5 m³/h                                                           |
| Airborne acoustical A-weighted sound power emissions at minimum / maximum speed in normal use: 43 dB / 57 dB |
| Airborne acoustical A-weighted sound power emissions at intensive or boost setting: 70 dB                    |
| Power Consumption in off mode: - W                                                                           |
| Power Consumption in standby mode: 0.46 W                                                                    |

## Information for domestic range hoods (EU) No. 66/2014 (EU)

|                                                                                                                                                                 |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model Identifier: LC97FVW60B                                                                                                                                    |
| Annual Energy Consumption : 40 kWh/annum                                                                                                                        |
| Time increase factor : 1                                                                                                                                        |
| Fluid Dynamic Efficiency : 27.2                                                                                                                                 |
| Energy Efficiency Index : 55.8                                                                                                                                  |
| Measured air flow rate at best efficiency point : 354.6 m <sup>3</sup> /h                                                                                       |
| Measured air pressure at best efficiency point : 264 Pa                                                                                                         |
| Maximum air flow : 717 m <sup>3</sup> /h                                                                                                                        |
| Measured electric power input at best efficiency point : 95.6 W                                                                                                 |
| Nominal power of the lighting system : 7.7 W                                                                                                                    |
| Average illumination of the lighting system on the cooking surface : 589 lux                                                                                    |
| Measured power consumption in standby mode : 0.46 W                                                                                                             |
| Measured power consumption off mode : - -                                                                                                                       |
| Sound power level : 57 dB                                                                                                                                       |
| Short title or reference to the measurement and calculation methods used to establish compliance with the above requirements: EN 61591, EN 60704-2-13, EN 50564 |
