

**Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 1059/2010"**

|                                                                                                                                                                                                                                                                                               |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Trade mark: Bosch                                                                                                                                                                                                                                                                             |
| Model Identifier: SRS45L12GB                                                                                                                                                                                                                                                                  |
| Rated capacity, in standard place settings, for the standard cleaning cycle: 9                                                                                                                                                                                                                |
| Energy Efficiency class: A                                                                                                                                                                                                                                                                    |
| Energy consumption 249 kWh/annum, based on 280 standard cleaning cycles using cold water fill and the consumption of the low power modes. Actual energy consumption will depend on how the appliance is used.                                                                                 |
| Energy consumption of the standard cleaning cycle: 0.88 kWh                                                                                                                                                                                                                                   |
| Power consumption in off-mode and left-on mode: 0 W / 0.60 W                                                                                                                                                                                                                                  |
| Water consumption 3192 l/annum, based on 280 standard cleaning cycles. Actual water consumption will depend on how the appliance is used.                                                                                                                                                     |
| Drying efficiency class A on a scale from G (least efficient) to A (most efficient).                                                                                                                                                                                                          |
| The standard programme (eco 50) is the standard cleaning cycle to which the information in the label and the fiche relates, that this programme is suitable to clean normally soiled tableware, and that it is the most efficient programme in terms of combined energy and water consumption |
| Programme time for the standard cleaning cycle: 150 min                                                                                                                                                                                                                                       |
| Duration of the left-on mode: 0 min                                                                                                                                                                                                                                                           |
| Airborne acoustical noise emissions: 47 dB(A) re 1pW                                                                                                                                                                                                                                          |
| Free-standing                                                                                                                                                                                                                                                                                 |
