

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 392/2012"

Trade mark: Bosch
Model Identifier: WTV74309GB
Rated capacity cotton: 8.0 kg
Dryer type: Air-vented
Energy consumption null kWh/annum, based on 160 drying cycles of the standard cotton programme at full and partial load, and the consumption of the low-power modes. Actual energy consumption per cycle will depend on how the appliance is used.
automatic tumble dryer
Energy consumption of the standard cotton programme at full load: null kWh
Energy consumption of the standard cotton programme at half load: null kWh
Power consumption in off-mode and left-on mode: null W / null W
Duration of the left-on mode: -
The programme used at full and partial load is the standard drying programme to which the information in the label and the fiche relates, this programme is suitable for drying normal wet cotton laundry and is the most efficient prog
Weighted programme time of the standard cotton programme at full and partial load: null min
Programme time of the standard cotton programme at full load: null min
Programme time of the standard cotton programme at partial load: null min
Condensation efficiency class null on a scale from G (least efficient) to A (most efficient)
Weighted condensation efficiency for the standard cotton programme at full and partial load: - %
Average condensation efficiency of the standard cotton programme at full load: - %
Average condensation efficiency of the standard cotton programme at partial load: - %
Sound power level: 65 dB(A) re 1pW
Free-standing
