

Odor filter HEZVEUD361

- Recirc/Filter Kit for 300 & 500 Series – 36" Wide
- Replacement Charcoal Filters for Bosch 300 & 500 Series 36" Under-cabinet Hoods in recirculation mode
- Please check for compatibility with your ventilation before purchasing
- Efficiently neutralizes odors in your kitchen so cooking aromas and fumes don't linger while you are cooking
- Charcoal filters should be replaced when they are noticeably dirty or discolored (usually every 4 to 6 months, depending on usage)

Product group: Accessory
 Brand: Bosch
 Product name / series name:
 SKU: HEZVEUD361
 Internal article number: 000000000012052122
 EAN code: 4242005449958
 Product Packaging Dimensions (HxWxD): 1.57 x 11.41 x 18.11
 Net Weight: 1.000 lbs
 Gross Weight: 1.000 lbs
 Quantity per packing unit: 20
 Standard number of units per pallet: 80
 UPC code: 825225972846
