Thermador built-in oven side-by-side accessory kit

Side Trim Kit for Side-by-side Installation of Thermador® Wall Ovens

Design

- The TWO30YS side trim kit is compatible with certain Thermador Masterpiece® and Thermador Professional® Series conventional ovens when used in a side-by-side configuration
- Trim kit was designed to improve the look and side-by side installation requirements
- It is recommended to change the side trims prior to installing the oven in the cabinetry in order to access the side trim screws.
- Please refer to the Combination Guide for a complete model list and more details.
