Multicooker, White MUC11W12

Anyone can cook. It's a promise! Quick and easy - enjoy a wide range of dishes with the AutoCook.

Excellent Results

- Wide temperature range from 40-160°C ensures that many different types of dishes can be prepared.
- Get to know your device and it's functions thanks to the enclosed quick-start-guide and QR code for the AutoCook recipe app.
- Powerful 900 W

Comfort

- Personal function (my recipe): Create your own favourite recipes or dishes by flexibly adjusting time and temperature.
- Pre-set timer: You can easily program the AutoCook so that it will be ready at a certain time according to your wishes.
- Keep warm function
- Easy to clean: bowl and steaming tray are dishwasher safe

Material/Design

- Bowl with non-stick Teflon coating for minimal cleaning effort and good heat distribution.
- All plastics that are in contact with food are BPA free

Accessories included

- Double-layer steam basket to prepare flexibly either a complete meal (e.g. meat and vegetables) at once or just single ingredients.

Safety

- High security standard: automatic shut off at the end of the selected program
- Child lock with shortcut to lock the display
- Thanks to a cool touch housing no risk of getting burned
- Rubber feet for extra stability
